"The roots of true achievement lie in the will to become the best that you can become"

INVITATION

Dear Colleagues,

With the advent of cold winter when the nature will be shedding its green, the dental fraternity will be looking forward for the gala event of the season-the 54th Annual Conference of Indian Dental Association West Bengal State Branch to be held on and from 7th December to 9th December, 2018 at Biswa Bangla Convention Centre, New Town, Kolkata. It will be more significant and memorable one as Dentistry in India is now just a few step closer to its Centenary Year since Dr. Rafiuddin Ahmed, the Father of Dentistry in India, started the journey in 1920. To commemorate this glorious event, we have left no stone unturned to make it a grand success. We hope you will cherish to be a part of this mega event which will hold seminars by International Keynote Speakers, National Scholars from different states and obviously the stalwarts of Dentistry of our own state along with delegate papers by budding dentists, UG and PG papers by the dynamic students and the jubilant Cultural Program by the young souls. The program is going to be a unique platform where old will meet the new to interact and exchange their scientific views to gain knowledge and also to enjoy each others presence to be remembered in future.

Your active and wholehearted participation will not only make the event an indelible one but also motivate us to carry forward the legacy which was handed over to us by a great soul, Dr. Rafiuddin Ahmed. Long Live Indian Dental Association.

*On behalf of the Organizing Committee,
